He knew from long experience that whatever could make him palpably happier was also liable to send him into a state of fugue in which conversation in the linear sense became next to impossible. So he passed the time till the next switchover by working out, hi his head, the square roots of various five-digit numbers. Then, when he had a solution, he'd check it on his calculator. He'd got five right answers when his chair reared up, god bless it, and bore him off toward . . . Would it be the couple chained, wrist to wrist, on the blue settee? No, at the last moment, his chair veered left and settled down in front of an unoccupied bent-wood rocker. A sign in the seat of the rocker said: "I feel a little sick. Back in five minutes."..To give you an idea of the creativity of this young man, I have arranged for Zorphwar to be made available to you on the Executive Interactive Display Terminal in your office. So I began to search. The first person I met was the thin grey man, and with him was his large black trunk in which, he said, was his nearest and dearest friend. He said if I would work for him and carry his trunk, he would pay me a great deal of money with which I could buy a ship and continue my search. He told me that he himself would very much like to see a woman worthy of a prince. 'Especially,' he said, 'such a colorful prince as you.' I carried his trunk for many months, and at last he paid me a great deal of money with which I bought a ship. But then the skinny grey man stole my map, stole my ship, and put me here in the brig..Tor two days she has waited there. I see yon with her now when jou return. The first time: "Such a goddamned adolescent, Rob."..thank you very much."..And for six months, nothing really new cropped up among the whirligigs. Song was not surprised..The sun was poking over the mountains when he woke up. He roused and was momentarily unaware of where he was; then memory flooded back. He turned to me. The pain and hysteria were gone from his eyes. They were oddly peaceful..They built a separate shelter inside the dome, not really talking aloud about what it was for. But it did not lack for use. Productive work suffered as the five of them frantically ran through all the possible permutations of three women and two men. Animosities developed, flourished for a few hours, and dissolved in tearful reconciliations. Three ganged up on two, two on one, one declared war on all the other four. Ralston and Song announced an engagement, which lasted ten hours. Crawford nearly came to blows with Lang, aided by McKillian. McKillain renounced men forever and had a brief, tempestuous affair with Song. Then Song discovered McKillian with Ralston, and Crawford caught her on the rebound, only to be thrown over for Ralston..herself, it's much more dramatic. "It always goes away."..I gave her a suspicious frown, got up, and walked over to the bathroom door. I turned around, crossed my arms, and leaned against the doorframe. "Well?". "Look, I've never had one, and never planned to. I'm thirty-four years old and never, never felt the lack. I've always wanted to go places, and you can't with a baby. But I never planned to become a colonist on Mars, either. I... things have changed, don't you see? I've been depressed." She looked around, and Song and Ralston were nodding sympathetically. Relieved to see that she was not the only one feeling the oppression, she went on, more strongly. "I think if I go another day like yesterday and the day before?and today?I'll end up screaming. It seems so pointless, collecting all that information, for what?".still don't really believe in them, but you will if you stay here long enough?they know genetics. Now, months later, I remember it and my skin again goes warm. "Get out of here," I say to the lads. "In a way it's about time," she said, tossing her clothes in a corner. "The only thing to do with these clothes is burn them. We'll all smell better for it. Song, you take the watch." She flicked out the lights and reclined heavily on her mattress. by Ray Harryhausen, and starred John Richardson as Tumac and Raquel Welch as Luana, both of them. ward, got up in time to see the fiberglass ropes on the side nearest him snap free from the steel spikes anchoring the dome to the rock. The dome now looked like some fantastic Christmas ornament, filled with snowflakes and the Sashing red and blue lights of the emergency alarms. The top of the dome heaved over away from him, and the floor raised itself high in the air, held down by the unbroken anchors on the side farthest from him. There was a gush of snow and dust; then the floor settled slowly back to the ground. There was no motion now but the leisurely folding of the depressurized dome roof as it settled over the structures inside. "What brings you to the Megalo Corporation?" I asked him, trying to affect the nonchalance of a happy executive. Amanda wrenched herself sideways, stabbing at the left hand. "Leave me alone." I see her stagger slightly.
